PARIS LE GRAND

GRAND IN EVERY SENSE

InterContinental Paris Le Grand is located in the heart of the capital and offers a breathtaking view of the Opéra Garnier. In the centre of the business district, a stone's throw from the main tourist attractions, department stores and the famous Place Vendôme, the hotel benefits from an ideal location to feel the atmosphere of the Paris of yesterday and today. The establishment offers elegant rooms suitable for conferences, boards of directors or cocktails that can accommodate up to 1000 guests. The hotel has been undergoing a metamorphosis since 2018, orchestrated by interior designer Pierre-Yves Rochon. The Grand Hotel is modernizing its rooms and suites to add resolutely modern notes to the Second Empire style. La Verrière, a sumptuous 800 square metre winter garden located in the heart of the hotel, offers a bright haven of peace and serenity in the excitement of Parisian life.

Famous throughout the world, the Café de la Paix, a restaurant of the hotel classified as a historic monument, offers seasonal products in an exceptional setting and is the essential stopover for a stay in the capital.

InterContinental Paris Le Grand offers over 2,000 square meters of event and conference space.

The Conference Centre on the first floor consists of 13 featured rooms with abundant natural light and equipped with the latest meetings' technology. These rooms can accommodate from 20 to 170 people seated theatre-style or 200 people for cocktails.

Two major ballrooms, Salon Berlioz and Salon Opera as well as pre-function rooms can accommodate large events of up to 1000 people. The Salon Opera is a historical monument and the most renowned ballroom in Paris, famous for fashion shows, gala dinners and conferences.
